

YOU CAN'T JUST TEAR IT UP ANYMORE!

Helena Industries Now Provides Certified Document Destruction Services

Identity theft, credit card fraud, and recent changes in legislation in the fields of medicine, law, and banking make it more critical than ever that your obsolete records be thoroughly destroyed.

Helena Industries, known for providing the finest mail preparation service available in the region, is now providing office records destruction services to the Helena area.

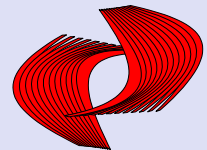

And its so easy to do! No need to remove file jackets, metal clips, or other items from your files. Two high speed industrial shredders are used to provide the most cost-effective and secure solution for protecting your sensitive business information. We maintain a complete record of your materials from the time we pick them up until they are ultimately destroyed and recycled. After your documents are destroyed, we'll give you a tracking document and a certificate of destruction that shows exactly when and how each parcel of material was destroyed.

Whether you need regularly scheduled service or one-time purging, Helena Industries can handle all your shredding needs. We offer a 24 hour response time in the Helena area and there's no transportation charge if your destruction work exceeds 1,000 pounds.

Helena Industries can destroy virtually any type of document. We'll turn your computer disks, tapes, microfilm, microfiche, x-rays, foam core and more into unrecognizable waste. All paper materials are recycled, offering you an environmentally responsible solution for your record protection management while at the same time providing valuable work opportunities for people with disabilities.

Call now. It's a "must do" job, and we'll make it easy for you.
